

Secret Journey To Planet Serpo A True Story Of Interplanetary Travel

David M. Jacobs, PhD

Secret Journey to Planet Serpo Len Kasten, 2013-05-05 Documents how 12 people, as part of a top-secret U.S. government program, traveled to the planet Serpo and lived there for 13 years • Based on the debriefing of the Serpo team and the diary of the expedition's commander • Explains how the aliens helped us reverse-engineer their antigravity spacecraft and develop technology to solve our planet-wide energy problems • Reveals how our government has an ongoing relationship with the Serpo aliens On July 16, 1965, a massive alien spacecraft from the Zeta Reticuli star system landed at the Nevada test site north of Las Vegas. Following a plan set in motion by President Kennedy in 1962, the alien visitors known as the Ebens welcomed 12 astronaut-trained military personnel aboard their craft for the 10-month journey to their home planet, Serpo, 39 light-years away. In November 2005, former and current members of the Defense Intelligence Agency--directed by Kennedy to organize the Serpo exchange program--came forward to reveal the operation, including details from the 3,000-page debriefing of the 7 members of the Serpo team who returned after 13 years on the planet. Working with the DIA originators of the Serpo project and the diary kept by the expedition's commanding officer, Len Kasten chronicles the complete journey of these cosmic pioneers, including their remarkable stories of life on an alien planet, superluminal space travel, and advanced knowledge of alien technologies. He reveals how the Ebens presented the U.S. with "The Yellow Book"--a complete history of the universe recorded holographically, allowing the reader to view actual scenes from pre-history to the present. He explains how the Ebens helped us reverse-engineer their antigravity spacecraft and develop technology to solve our planet-wide energy problems--knowledge still classified. Exposing the truth of human-alien interaction and interplanetary travel, Kasten reveals not only that the Ebens have returned to Earth eight times but also that our government continues to have an ongoing relationship with them--a relationship with the potential to advance the human race into the future.

Dark Fleet Len Kasten, 2020-03-10 Reveals the Nazi-Reptilian infiltration of the U.S. government, their secret space program, and their slave colonies throughout the solar system • Details "Operation Paperclip," which enabled Nazis and their Reptilian partners to infiltrate the U.S. military-industrial complex, including NASA and the CIA • Reveals their interstellar

space ports in Antarctica and on Mars, their base on the Moon, and their alien technologies, including nano-technology, antigravity propulsion, mass mind control, and hyperdimensional teleportation capabilities • Shares testimonies from American and British “supersoldiers” who participated in the “20 and Back” age-regression programs, revealing advanced human technology and our Space Armada that constitutes a counter-balance to the Nazi Dark Fleet The Nazis did not really lose World War II. They made it appear that way in order to divert attention from the alliance between the Fourth Reich and the race of aliens known as the Reptilians--an ancient galactic civilization obsessed with conquest and domination. After the German surrender in 1945, the Nazi-Reptilian alliance infiltrated the U.S. military-industrial complex. Through “Operation Paperclip,” the Nazis and Reptilians removed their political opponents, such as the Kennedys, and moved into policy-making positions in post-war America, infiltrating aerospace companies, banking, media, and the U.S. government, including NASA and the CIA. But their real target was not the United States--it was the solar system. As Len Kasten reveals in startling detail--including revelations of antigravity propulsion technology, alien techniques of mass mind control, and hyperdimensional teleportation capabilities--the Nazi-Reptilian alliance used their newfound power, wealth, and influence to launch a Secret Space Program with interstellar spaceports in Antarctica and on Mars as well as an eleven-story base of operations on the Moon. They commenced mining and manufacturing operations on Mars and Ceres, forming colonies there and elsewhere in the solar system. And, most shocking, they have used thousands of human slaves, easily transported in their spaceships, for both work and sexual exploitation. Sharing testimonies from American and British “supersoldiers” who participated in the “20 and Back” age-regression programs, Kasten reveals the various forces inside and outside government that are resisting the Nazis and thwarting Reptilian attempts to achieve total dominance of the planet and the solar system. The U.S.-led Secret Space Program has its own fleet of spaceships, the Solar Warden Space Armada, which patrols the edges of the solar system and poses a growing threat to the Nazi Dark Fleet.

Project Serpo Richard Dempsey,2018-10-04 Project Serpo was a Top Secret, United States Government program that sent twelve carefully selected military personnel to a distant star system over 30 Light Years away.How did they traverse this enormous distance? The answer is exactly why our governments have't admitted to the existence of aliens or disclosed any of the countless materials they have on the subject.But just because the government doesn't admit it, does that mean it doesn't exist?The truths disclosed in the pages within is truly astounding. Get started now.

Alien World Order Len Kasten,2017-02-16 Shares new documents to expose the sinister alien influence in world governments, financial systems, and scientific institutions throughout history • Shows how Eisenhower’s treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens authority to abduct humans for research • Reveals how Reptilian-influenced ex-Nazis infiltrated the U.S. government • Explains how the Reptilians have created alien-human hybrids under their control to replace the human population Long ago, the Galactic Federation sent the Atlans, a fierce group of

humans from the Pleiades, to Earth to confront the newest colony of the combative ever-spreading alien race known as the Reptilians. The ensuing battle sank the continent of Lemuria and drove the Reptilians underground beneath the Indian subcontinent as well as to Antarctica. Able to shapeshift to appear human, the Reptilians then infiltrated the Atlantean civilization, abducting humans and creating Reptilian hybrids. As Len Kasten shows, this technique of infiltration and hybridization prior to an all-out attack has been the hallmark of Reptilian conquest throughout the galaxy. Chronicling the history of the Reptilian Empire's influence on Earth and their conquest of 21 star systems, Kasten reveals how the human race is enmeshed in a skillfully concealed plot to enslave humanity and exploit our planet's physical and biological resources. Revealing Hitler's pact with extraterrestrials and the Reptilian influence on the Nazi state, he shares new documents that disclose the rescue and rehabilitation of Nazi war criminals to assist in the Cold War, which then corrupted many U.S. government institutions. Focusing on crucial events in the decade after World War II, he examines the Reptilians' human allies, the Illuminati, who control the levers of financial, technological, and military power throughout the world through various secret societies. He shows how Eisenhower's treaty with the Greys, signed at Holloman Air Force Base in 1954, gave the aliens permission to take humans up to their spaceships, ostensibly for genetic study--in return for alien technology--and how these abductions led to the creation of a hybrid race under Reptilian mind control. He also explains how Kennedy was assassinated by the CIA because of his plans to rout out this Nazi-Reptilian presence. Contrasting the Reptilians with the benevolent Ebens, the aliens from Zeta Reticuli who crashed at Roswell, Kasten exposes the stealthy tactics of the Reptilians, their relationship with the Greys, and their advanced genetic bio-technology and teleportation abilities--as well as what we need to do to defeat their plans.

The Secret History of Extraterrestrials Len Kasten, 2010-11-11 Explores the role of ETs in the military, government, technology, history, and the coming new age • Surveys contact with ETs, abductions, alien technology and exopolitics, genetic tampering by ETs, and the history behind the Nazis and UFOs • Contains interviews with Jesse Marcel, Michael Salla, Paul LaViolette, Robert Bauval, Helen Wambach, and others at the forefront of the ET-derived New Science movement The extraterrestrial presence on Earth is widening and, as we enter the Aquarian Age, will be admitted officially, causing shock and an urgent universal need to understand the social and technological changes derived from our space brothers. A primer for the explosive advances humanity will experience scientifically and spiritually in the coming years, this compendium explores the ET phenomenon and its influence on humanity past and present. The book surveys contact with ETs and abduction accounts, unexplained public and undisclosed military technology from aliens including anti-gravity devices, exopolitics (the influence of ETs in human affairs), the Iraqi Stargate, the Hybrid Project of alien interbreeding by abduction, Nazi ties to UFOS and their secret underground base in Antarctica, government cover-ups of alien interactions including Roswell, and the transformation triggered by the Hale-Bopp comet. Based on interviews with people who are

witnessing the coming changes as well as those visionaries who are actually bringing them about--including John Mack, Major Jesse Marcel, Paul LaViolette, Robert Bauval, Michael Salla, and Helen Wambach--this book sketches out a breathtaking vision of the planetary revolution just around the corner.

Dark Moon Mary Bennett, David S. Percy, 2001 As the dust settles on the 30th anniversary of Apollo 11, information is now coming to light that throws into serious doubt the authenticity of the Apollo record. New evidence clearly suggests that NASA hoaxed the photographs taken on the surface of the Moon. These disturbing findings are supported by detailed analysis of the Apollo images by professional photographer David S Percy ARPS and physicist David Groves PhD. The numerous inconsistencies clearly visible in the Apollo photographic account are quite irrefutable. Recent research indicates that the errors evidenced in DARK MOON were deliberately planted by individuals determined to leave clues to the faking in which they were unwillingly involved. DARK MOON is the answer to the question--did the Apollo missions really land a man on the Moon and return him alive and well to Earth, or is the record incorrect?

Ancient Aliens on the Moon Mike Bara, 2012-03-27 Best-selling author and Secret Space Program researcher Bara brings us this lavishly-illustrated volume on alien structures on the Moon. He looks into the history of lunar anomalies and the early NASA programs. He gives us an examination of ruins on the Moon in the Sinus Medii region using images from the Surveyor, Lunar Orbiter and Ranger missions. He looks at the Apollo lunar missions to the Moon and the photographic evidence supporting the theory that transparent domes exist at the edge of craters on the orb. Did the domes encompass settlements of humans or other beings who lived there? He looks at further anomalies in the Mare Crisium region, including the hexagonal shape of the Crisium region itself. In this area, domes over the craters resemble watch-crystals. See the evidence in pictures of Cleomedes F and Cleomedes F/a, and an historical image of a giant shard of transparent material that was whitewashed from later versions of the same image. Bara discusses the popular theory that the film "2001 -A Space Odyssey" was used as a training ground for Stanley Kubrick to develop the technology to fake the footage of the moon landings. He also explores the curious mission of Apollo 17--possibly a technology salvage mission, primarily concerned with investigating an opening into a massive hexagonal ruin near the landing site. Bara details how the astronauts managed to get nearly 30 minutes of "off camera" time to investigate an entrance into the ruin and then later proceeded to a nearby crater to retrieve technological objects. He examines evidence from the Russian Zond series of lunar probes, as well as the more current Clementine and Lunar Reconnaissance Orbiter data, including an in-depth study of strange objects in Tycho crater. Also included: a look at the current politics of the new race to return to the Moon and what hidden agendas may be behind it. Finally, Bara looks at the various arguments that the entire Moon is an artificial object. Bara shows how the Moon would have been an ideal place for an alien species involved in genetic experimentation on Earth to have set up a base. 292 Pages. 6x9 Paperback. Illustrated. Witness to Roswell, 75th Anniversary Edition Thomas J. Carey,Donald R. Schmitt,2022-04-01 “When I finished Witness to Roswell, I said to myself, ‘Case closed!’ for the very wealth and sheer weight of eyewitness testimony.”—George Noory, host, Coast to Coast AM This classic in the field of UFOology is filled with hard-hitting eyewitness testimony of one of the most important events of all time: the actual recovery of a UFO outside of Roswell, New Mexico, in 1947. For more than 70 years, government authorities have led us to believe the wreckage was merely a very conventional weather balloon—but the witnesses who were there continue to tell a different story. Witness to Roswell once again provides a can't put down written account of what really transpired in Roswell decades ago. It pries loose the truth the government doesn't want us to know including the revelations of Walter Haut. This edition includes: A growing litany of deathbed confessions describing the little people recovered at the crash site. The most comprehensive time line of events ever published on this seminal event. The identity of the Boeing engineer called in to examine the exotic wreckage from the crash. What really took place at the Roswell base hospital and what nurse actually ordered the children’s caskets. The story of the soldier who wore gloves at the dinner table after guarding the bodies. Clearly, the implications of this information are foreboding. One need only look at the fact that officials now have four explanations for this historic event—but to which one do all the witnesses testify on their deathbeds? Witness to Roswell once again demonstrates to the world that no statute of limitation applies to the truth: We are not alone. This anniversary edition includes a new introduction by the authors and additional material.

Real Wolfmen Linda S. Godfrey,2012-08-30 What’s hiding in the woods? Here is the definitive account of today’s nationwide sightings of upright, canine creatures - which resemble traditional werewolves - and a thorough exploration of the nature and possible origins of the mysterious beast. “She has the ability to send chills up and down your spine.” —Brad Steiger, author of Real Ghosts, Restless Spirits, and Haunted Places “If you thought the likes of The Wolfman, The Twilight Saga: Eclipse, and Underworld had no basis in fact, it's time to think again!” —Nick Redfern, author of There's Something in the Woods “Real Wolfmen is a riveting work of amazing scope and depth. You’ll be hooked from the first page.”--Rosemary Ellen Guiley, author of The Encyclopedia of Vampires and Werewolves The U.S. has been invaded - if many dozens of eyewitnesses are to be believed - by upright, canine creatures that look like traditional werewolves and act as if they own our woods, fields, and highways. Sightings from coast to coast dating back to the 1930s compel us to ask exactly what these beasts are, and what they want. Researcher, author and newspaper reporter Linda S. Godfrey has been tracking the manwolf since the early 1990. In Real Wolfmen she presents the only large-scale cataloguing and investigation of reports of modern sightings of anomalous, upright canids. First-person accounts from Godfrey’s witnesses - who have encountered these

creatures everywhere from outside their car windows to face-to-face on a late night stroll – describe the same human-sized canines: They are able to walk upright and hold food in their paws, interact fearlessly with humans, and suddenly and mysteriously disappear. Godfrey explores the most compelling cases from the modern history of such sightings, along with the latest reports, and undertakes a thorough exploration of the nature and possible origins of the creature.

Blue Planet Project Gil Carlson,2013-09-15 This is the mysterious manuscript authored by a U.S. Government insider. It describes, in amazing detail, the inter relationship between the U.S. Government and several extraterrestrials societies with whom we have working agreements.I've been told this information was once classified as Above Top Secret and that this information was never intended to be released to the public! The Blue Planet Project Book contains all the amazing notes and drawings made by the scientist. The scientist visited various UFO crash sites, and the notes and drawings were allegedly made from those visits. It is believed that this anonymous scientist (more info revealed in book) was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor.This book compiled from what is believed to be the original and complete information. In keeping with the format of the original information that was in a binder format, this book has been published in a full size 8.5 x 11 page size and bound in a comb binding format. This makes it easier to lay flat and open pages fully for easier reading and studying.We believe this to be the most complete, accurate and highest quality version of this book available. Be cautious of inferior editions and eBook versions which have been reported by reviewers to be of inferior quality and may be difficult to read.

The 37th Parallel Ben Mezrich,2016-09-06 This real-life The X-Files and Close Encounters of the Third Kind tells the true story of a computer programmer who tracks paranormal events along a 3,000-mile stretch through the heart of America and is drawn deeper and deeper into a vast conspiracy. Like “Agent Mulder” of The X-Files, computer programmer and sheriff’s deputy Zukowski is obsessed with tracking down UFO reports in Colorado. He would take the family with him on weekend trips to look for evidence of aliens. But this innocent hobby takes on a sinister urgency when Zukowski learns of mutilated livestock, and sees the bodies of dead horses and cattle—whose exsanguination is inexplicable by any known human or animal means. Along an expanse of land stretching across the southern borders of Utah, Colorado, and Kansas, Zukowski discovers multiple bizarre incidences of mutilations, and suddenly realizes that they cluster around the 37th Parallel or “UFO Highway.” So begins an extraordinary and fascinating journey from El Paso and Rush, Colorado, to a mysterious space studies company and MUFON, from Roswell and Area 51 to the Pentagon and beyond; to underground secret military caverns and Indian sacred sites; beneath strange, unexplained lights in the sky and into corporations that obstruct and try to take over investigations. Inspiring and terrifying, this true story will keep you up at night, staring at the sky, and wondering

if we really are alone...and what could happen next.

Walking Among Us David M. Jacobs, PhD, 2015-09-01 In his 1998 book, *The Threat*, Jacobs uncovered disconcerting reports about aliens' plans for the future of Earth. He reported that a "change" is coming; a future when very human-like hybrids would intermingle with humans in everyday life. "Soon we will all be together," the aliens said. "Soon everyone will be happy and everyone will know his place." This book examines a chilling phenomenon that Jacobs began noticing in 2003. The alien integration action plan has kicked into high gear. The incidents of alien abductions have declined as occurrences of alien involvement in everyday life have accelerated. A silent and insidious invasion has begun. Alien hybrids have moved into your neighborhood and into your workplace. They have been trained by human abductees to "pass," to blend in to society, to appear as normal as your next door neighbor. This book illustrates in detail the process of alien integration into society and the strategy and support structure that has been developed to make this happen seamlessly. While he is not certain why they are doing it, the final chapter of the book will provide some chilling possible answers as to why they are here and what they want to accomplish. Jacobs is a careful researcher who has investigated more than 1150 abduction events experienced by

more than 150 abductees. This book focuses on the experiences of thirteen abductees.

Antarctica's Hidden History Michael Salla, 2018-03-25 Antarctica is a land about to be exposed over its well-guarded secrets and ancient hidden mysteries ... In 1955, as a result of a secret agreement reached between the Eisenhower Administration and a German breakaway group in Antarctica, a transnational corporate space program began to emerge. The secret infusion of personnel and resources from US military contractors into Antarctica allowed this transnational corporate program to steadily grow into a major space power, which would eventually surpass and eclipse the secret space programs run by the US Navy, Air Force, and the classified space programs of other nations. Whistleblower claims substantiate that many of the classified programs conducted there violate the 1961 Antarctic Treaty, and constitute crimes against humanity due to the abuse of a captive slave labor force. Dr. Michael Salla daringly exposes the major corporations involved in these illegal programs, and how the truth is hidden from company shareholders and the public. Today, Antarctica's secrets are slowly being revealed by the increasing volcanic activity that is melting the massive ice shelves, exposing ancient artifacts and crashed extraterrestrial spacecraft. Full disclosure of Antarctica's history, and current events involving multiple space programs and transnational corporations, will vitally aid in transforming our planet, and prepare humanity for the major geological events that lie ahead as the melting ice unveils all that has previously been hidden.
