L'ABBAYE DU VAL SAINT-LAMBERT

A CISTERCIAN ABBEY TO CARRY OUT ALL YOUR WISHES

Nestled between three national borders - Belgium, the Netherlands and Germany - and built on site of the Val Lambert crystal factory, this Cistercian abbey has been transformed into the perfect venue for your bespoke events.

It comprises three rooms: two vaulted rooms on the ground level, respectively 130 and 140 sq.m., and a spacious 500 sq.m. room with its private terrace on the first floor.

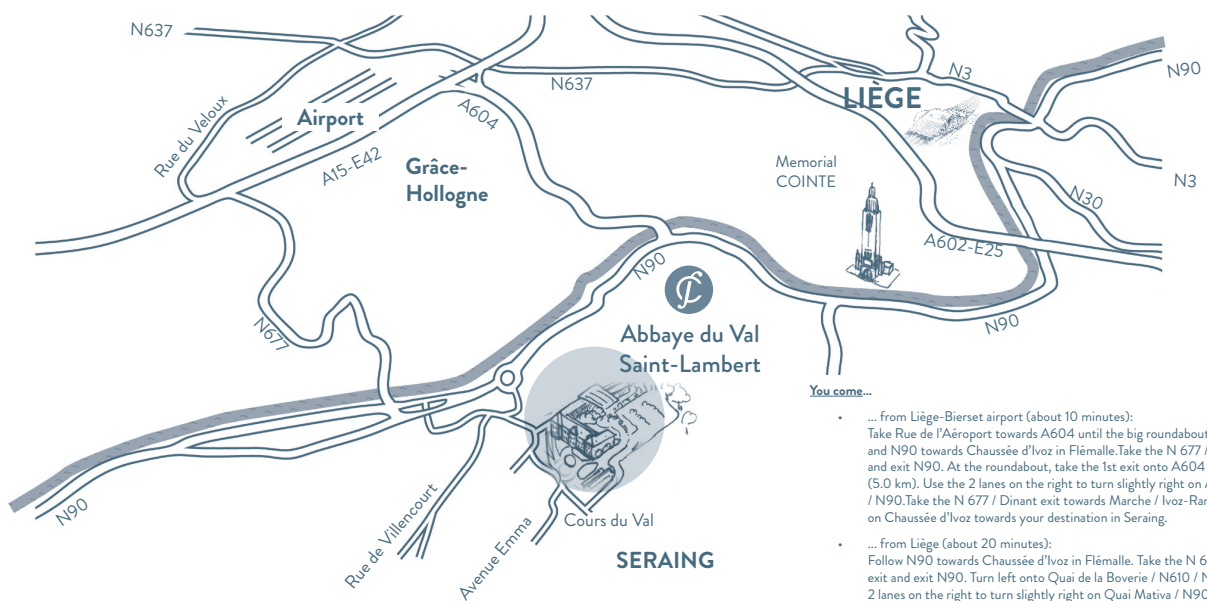

With spaces that can be arranged to suit any needs, the Abbey is the ideal space for your product launches, conferences, conventions, gala evening, fashion shows or press conferences.
