HOUSE BILL NO. 9711

**AN ACT ESTABLISHING AN E-LIBRARY IN BARANGAY CAPUCNASAN IN THE MUNICIPALITY OF MILAOR, CAMARINES SUR AND APPROPRIATING FUNDS THEREFOR**

This bill seeks to establish an e-library in the Barangay Hall of Barangay Capucnasan in Municipality of Milaor, Camarines Sur.

Many provinces, cities, municipalities and barangays still have no access to public libraries or reading centers despite the enactment of Republic Act 7743. The law provides for the establishment of "additional public libraries to serve all congressional districts cities and municipalities in the Philippines and reading centers in every barangay".

Libraries are important cornerstones of a healthy community. They give people access to a wealth of information, opportunities to learn, explore and research. However, libraries with actual books are expensive to build and maintain. Technologies can help us with an alternative that need not be as expensive. Setting up computers in the barangay to access e-books and other information is an example. Moreover, an electronic library has, not only text data but also sound, graphics, and motion video, in the form of digital data.

In view of the foregoing, immediate approval of this measure is earnestly requested.
