

Department of the Interior and Local Government (DILG)

Region 1

Rehiyon ti Ilokos; Rihiyo na Sagor ed Baybay Luzon

R

egion 1, envisioned as the powerhouse on agribusiness and tourism by the Regional Development Council (RDC) 1, is located in the northwestern portion of Luzon. Home of several past Presidents. Birthplace of heroes. A region bursting of history. A place of warm smiles and friendly embraces.

The Ilocos Region or Region 1, *Rehion ti Ilokos* in Ilokano, *Rihiyon na Sagor ed Baybay Luzon* in Pangasinan, - the two major local dialects of the area - is bounded by the Cordillera Administrative Region (CAR) and Cagayan Valley in the East, Central Luzon in the South and by the South China Sea in the West.

Lingayen Gulf is the most prominent body of water in the Region which is surrounded by a number of islands including the Hundred Islands National Park located in Alaminos City, Pangasinan.

THE REGION is composed of 3, 394 Local Government Units (LGUs), broken down as follows: four (4) Provinces; nine (9) Cities; 116 Municipalities and 3,265 Barangays. Based on the 2015 Census of Population, it has a total population of 5,026,128; the population of PANGASINAN comprises 59% of the total population. It has a total land area of 1, 297, 260 hectares.

The population is predominantly Roman Catholics; however, there are strong adherents of Protestantism, Iglesia ni Cristo and Mormons, which are just among the various religions practiced in the Region.

Province	Total No. of Cities	Total No. of Municipalities	Total No. of Barangays	Population	Land area (Hectare)
Ilocos Norte	2	21	557	593,081	346, 789
Ilocos Sur	2	32	768	689,668	259, 600
La Union	1	19	576	786,653	149, 770
Pangasinan	4	44	1, 364	2, 956,726	541, 101
REGION	9	116	3, 265	5,026,128	1, 297, 260

Before the formation of CAR, the Provinces of Abra, Mountain Province and Benguet were included in Region 1. Moreover, Pangasinan, then belonged to Region III; however, President Ferdinand E. Marcos signed Presidential Decree No. 1 in 1972 incorporating the said Province to the Region.

Sixty-six percent (66%) speaks the Ilokano dialect; 27% speaks Pangasinan, and the Tagalogs compose 3%. Minority groups include the Tinggians, Itneg and Bago communities who inhabit most of the upland municipalities of the Region.

The **E**conomy of Ilocos Region is based on agriculture, producing wide variety of vegetables, animals, and fish. Principal products are rice, corn, tobacco, garlic, sugarcane, and cassava. The Region is expanding into a variety of food-processing industries, and also practices a number of crafts and cottage industries: blanket weaving, basketry, shell craft, broom making, pottery-making, wine and vinegar making, jewelry making, wood and stone craft, among others. Jars and antiques can also be bought in the region.

*T*ourism is also picking up in the region with old churches and houses, historical sites, beaches, nature trails and native products and handicrafts as the main attractions for both local and foreign tourists. The Region has two (2) international – standard airports located in the Cities of Laoag, Ilocos Norte and San Fernando, La Union.

Ilocos Region’s *I*nfrastructure sector is focusing on providing adequate and reliable infra support for agriculture, industry, tourism and human resources development for the next six years.

There is a road network that links Region I to the other parts of Luzon. The Tarlac-Pangasinan-La Union Expressway has already broken ground for the Tarlac-Pangasinan section.

Sea transport facilities are concentrated in the Port of San Fernando in La Union and Currimao in Ilocos Norte. The Salomague Port in Cabugao, Ilocos Sur has facilities as a containerized transshipment port. These are primarily for the movement of goods.

The Region's energy and telecommunications requirements are well developed, having Coal and Wind Power generation providers. The manufacturing sector has also recently initiated the generation of renewable energy which is designed to supply rice millers and farmers in La Union and Pangasinan in the coming years.

Fort Ilocandia Tourism Economic Zone in Laoag City and Pangasinan Industrial Park II in Mabini, Pangasinan thrust economic development of the Region. The province of Pangasinan has initiated the development of a 250-hectare Eco-Tourism Zone in its capital, Lingayen. It is being offered to be developed by investors under the Public-Private Partnership.

II. ISSUES & CONCERNS:

GOVERNANCE

In bringing the government closer to the people, Local Governments in the Region need to initiate effective communication plans to further convey essential programs and encourage participation of the public in policy formulation, planning, and implementation.

Partnership with Non-Government Organizations and the Private Sector needs to be strengthened. Administrative and Technical capability building programs for the Executive and Legislative Human Resource need to be sustained.

Heavy dependence of Local Governments on IRAs need to be trimmed down in order to institutionalize local autonomy in the long run.

Local Sanggunians need to complement Executive initiatives and must act immediately on concerns that need legislative intervention.

In line with the Administration's thrust in promoting transparency, Local Governments further need to intensify its information drive to inform the public of executive and legislative policies and its finances and public offerings.

Observance of guidelines relative to accounting, internal control, procurement and financial transactions need to be strengthened to ensure sound Fiscal Management by the LGUs.

SOCIAL

Local Government Units should step up efforts to implement Programs to prevent the proliferation of informal settlers and make available long term home financing.

Support to Senior Citizens and Persons with Disabilities through the establishment of centers and offices in identified strategic areas are not yet fully in place.

There is a need to intensify efforts in combating the emergence/occurrence of Lifestyle related diseases and leading diseases such as Acute Gastroenteritis Diarrhea, Tuberculosis, Dengue and Leptospirosis.

Generation of opportunities for employment and availability /provision of financing for capital for livelihood are concerns which need to be addressed by the Local Government Units.

Damage caused by recent calamities requires the reconstruction of a number of health facilities. Philhealth Accreditation for Out-patient Benefit Package, Maternity Care Package and Directly Observed Treatment Short course on Tuberculosis (TB DOTS).

Additional efforts must be employed on the acquisition of textbooks and construction of educational infrastructure facilities and projects to support the increasing number of school age population and support to alternative Early Childhood Care and Development Programs for inaccessible communities.

LGUs need to step up efforts in curbing Maternal Deaths and Malnutrition, encouraging Facility based deliveries and expanding coverage of immunization and Micro-nutrient supplementation programs.

Strengthening of mechanisms on Health Emergency and Response is also a concern which needs to be addressed through organization of Emergency and Response Committees.

ECONOMIC

Enhancement of market development services, linkages, technology, infrastructure and facilities support to agricultural production should be put in place.

Local Governments need to step up efforts in the prevention of degradation of ecological zones due to population pressure and depletion of natural resources.

Full adoption of new technologies for agriculture must be employed to curb the rising cost of production inputs and minimizing post-harvest losses and underutilized farm by-products for livestock production.

Updating of Disaster Risk Reduction and Management Plan is underway to include Digitized Risk Maps.

IV. PEACE AND ORDER

Stable anti-criminality, anti-drug and anti-insurgency measures and efforts shared with LGUs and peace keeping member agencies and the community are in place in support to the present administration's relentless fight against criminality, illegal drugs, and corruption.

The Regional Peace and Order Council (RPOC) of Region 1 is headed by its newly- appointed Chairperson Gov. Imee R. Marcos of Ilocos Norte. Chief Superintendent Gregorio R. Pimentel is the RPOC 1 Vice- Chair.

The RPOCs are mandated to: 1. Provide a forum for dialogue and deliberation of major issues and problems affecting peace and order, including insurgency; 2. Recommend measures which will improve or enhance peace and order and public safety in their respective areas of responsibility, including anti-insurgency measures; 3. Recommend measures to converge and orchestrate internal security operations efforts of civil authorities and agencies, military and police; 4. Apply moral suasion to and / or recommend sanctions against local chief executives who are giving material and political support to the Communist rebels; 5. Monitor the provision of livelihood and infrastructure development programs and projects in the remote rural and indigenous population areas adopted to isolate them from the Communist rebels' "Agitate / Arouse, Organize and Mobilize" and ideological, political and organization works; and 6. Perform all other functions assigned by law, the President or the NPOC.

DILG REGION 1

The Department of the Interior and Local Government (DILG) Region 1 is composed of 291 hardworking men and women. Seventy-six percent (76%) or a total of 221 personnel are technical staff, fifteen percent (15%) or 43 are administrative staff, while the remaining nine percent (9%) or 27 are contractuels / job orders, broken down as follows:

The Department calls forth its officials and employees to support, believe and practice its Change Agenda – **Partnership** with the Civil Society Organizations and Other Stakeholders, **Accountability, Responsibility** and **Transparency** coined in an acronym **PART**. In DILG Regional Office, these basic standards are earnestly subscribed to in carrying out our mandated tasks of strengthening the capacities of local government units and maintaining peaceful and safe localities.

The personnel of the Regional and Provincial Offices deliver their respective frontline services guided by their Citizen’s Charters. The officials and employees of the DILG had pledged to deliver quality public service to its clients with the highest degree of professionalism, integrity and impartiality. Everyone has adhered to the Department’s key personality traits, *“Matino, Mahusay at Maaasahang kagawaran para sa Mapagkalinga at Maunlad na Pamahalaang Lokal.”*

The Office had also adopted the Cluster Strategy to enhance the performance of the field officers and fulfil the Department’s vision of being the primary catalyst for excellence in local governance. At present, we have 6 Cluster Teams covering the 125 LGUs of the Region under the supervision of LGOO VI/Cluster Leaders or Outcome Managers.

Moreover, we are among the pilot implementers of the Local Governance Regional Resource Center (LGRRC) and its major concept “Knowledge Management.” At present, our LGRRC have an array of Knowledge Products which our clients from the LGUs and the academe, students and private individuals can avail.

We were also ranked as BEST OFFICE for three consecutive years (2013- 2015) in the rating and ranking of DILG Delivery Units for the grant of the Performance Based Bonus (PBB).

We have maintained our strong working relationship with the Regional Development Council (RDC). In fact, an awards system for the LGUs was developed and being implemented by the DILG – RDC. These are “LGU Best Practices”; “Cleanest, Greenest and Most Peaceful LGU,” and; “LGU – NGO Best Practices.” Yearly recognition to LGUs through the RDC Performance Awards for showcasing their innovative programs and good practices and effectiveness in service delivery in furtherance to good governance were undertaken.

The Office has also fostered a solid teamwork with the different Regional Line Agencies like the National Economic Development Authority (NEDA), Department of Health (DOH), Department of Social Welfare and Development (DSWD), Department of Environment and Natural Resources (DENR), Department of Labor and Employment (DOLE), National Commission on Indigenous Peoples (NCIP) and Commission on Human Rights (CHR). We have continuously provided the technical assistance and data requirements these Agencies have requested. The DILG R1 has consistently been a member of the Provincial and Regional Sector and Awards Committees.
