PURCHASING AFFIDAVIT

CONSTRUCTION CONTRACTS: Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

ALL OTHER CONTRACTS: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

Addendum #1 ARFQ DOT1800000012

Stone, Aggregate, Cinders – Mat.&Del. To Non-Estab. Location by the Vendor

Question 1 I was looking through the ARFQ referenced above and noted that in the section “GENERAL TERMS & CONDITIONS” Item #8 under the heading “Licenses/Certifications/Permits” it states that a West Virginia Contractors License will be required from the apparent successful Vendor. I don’t believe that this has been required in the past and wanted to confirm that is correct.

Response 1 Please remove the requirements of Item #8 requiring the Vendors to submit a copy of their West Virginia Contractor’s License.
