Profiles of Tatebayashi

Azalea park is designated as National Scenic Beauty!

We, Tatebayashi city, will be very much looking forward to overseas visitors.

The spring starts by **SAKURA** (cherry blossoms) and colorful carp banners. Soon will be colored by Azaleas, Japanese water irises,

and Lotus flowers, of beautiful flowers in each season. Japanese traditions of the Fireworks and the Festivals also will be held on a grand scale.

Tatebayashi city locates nearly in the middle of the Kanto region, where is the east southern part of the Gunma prefecture, called "Crane perform shaped".
