**LOCATED IN THE SOUTHWESTERN
TIP OF VIRGINIA, SCOTT COUNTY IS
A “NATURAL” FOR MUSIC, HISTORY
BUFFS, NATURE ENTHUSIASTS AND
VACATIONERS OF ALL TYPES.**

MUSIC

As the home of A.P. and Sara Carter and Mother Maybelle, Scott County is the true “birthplace of country music.” A.P. Carter was a collector of songs, and it was through the local hills and hollows that A.P. roamed gathering his songs, such as “Hello Stranger,” “Keep on the Sunny Side,” and the well-known “Will the Circle be Unbroken.” His music lives on today through the Carter Family Fold and other local weekly music jams.

HISTORY

Visitors today can walk in the footsteps of famed frontiersman Daniel Boone and visit the newly opened Daniel Boone Wilderness Trail Interpretive Center to learn what it was like growing up on the frontier. Tour the 1700s John Anderson Blockhouse and learn how pioneers protected their families from the dangers of the frontier, or visit a restored over-shot, water-wheeled gristmill.

NATURE

Scott County is home to one of the most bio-diverse rivers in the world—The Clinch River. With eight hand-launch sites, water warriors will find easy access to the lure of the Clinch, whether it be to fish or float. Once a hidden, local treasure, the Devil's Bathtub is now known worldwide and often cited as the best tourist destination in Virginia. These are just a couple of the natural riches to be found in Scott County. There are many more.

**We invite you to delve deeper into
the allure of Scott County, Virginia, and
see all there is to explore!**
