Mayor's Welcome

Welcome to scenic Haldimand County, located in Ontario's Southwest, where the waters of the southern Grand River meet Lake Erie.

We are a premier cycling and motorcycling destination with scenic views and flat paved rural roads that are less travelled, compared to our urban neighbours.

With 87 kilometres of Lake Erie waterfront and the the Grand River, a designated heritage river running through the municipality, Haldimand County offers numerous water adventures including: fishing, waterside camping, kayaking, boating and swimming.

We have an abundance of cycling and hiking trails ranging in difficulty and distance. The scenic waterfront trail runs along Lake Erie's coast featuring beautiful countryside and picturesque lake views.

Haldimand has many towns and hamlets for you to explore, each having their own unique attractions, quaint shops, cultural and historic sites, accommodations and restaurants.

Why fight traffic? We are only a short drive from major urban centres in southern Ontario. Many visitors are discovering the hidden gem that is Haldimand County and our friendly small town charm keeps tourists coming back year after year.

Visit Haldimand County and see for yourself why we are the perfect undiscovered vacation destination in your own backyard.

Sincerely,

Mayor Ken Hewitt, Haldimand County

Caledonia is a picturesque community on the Canadian Heritage Grand River, just 15 minutes south of Hamilton and less than 10 minutes from the Hamilton International Airport. A

nine-span bridge, the only one of its type in Canada, links the whole community. Incorporated in 1853, Caledonia's historic sites include the old Town Hall, known as Edinburgh Square Heritage and Cultural Centre which preserves and profiles the history of the community and the 100-year old Grand Trunk Railway Station, built in 1908. The renovated Railway Station, open five days a week, operates as a museum, office of the Caledonia Regional Chamber of Commerce and Travel Information Centre. Caledonia's parks and green spaces provide a place to enjoy a range of activities: fishing, walking, picnicking and bird watching. The Caledonia Kinsmen Park is a great family escape with a pool and splash-pad, and Riverwalk to the downtown. The Rotary Riverside Trail is a beautiful 6km off road trail along the Heritage Grand River. Notable events include the Caledonia Canada Day Celebrations and the Caledonia Fair which takes places on the 4th weekend after Labour Day. Located downtown and along the river, the Caledonia Fair has been delighting attendees for over 140 years.

Cayuga

Cayuga is located on the banks of the Grand River between Caledonia and Dunnville. The town of Cayuga offers unique shopping and dining opportunities, access to the Grand River, beautiful parks and many events for the whole family. While visiting Cayuga, be sure to enjoy a picnic in the pavilion next to the river or take a relaxing stroll along the river's edge. Boaters can launch from the public boat ramp on the river located in Bob Baigent Park beside the bridge. Located on the edge of town, the 1,500 acre Ruthven Park National Historic Site is a must visit with abundant natural beauty and historic coach house and Mansion. Ruthven Park National Historic Site offers spectacular bird watching and is home to a bird banding station. Happening the third weekend of July is CayugaFest, which offers family entertainment and live music right along the river's edge. Toronto Motorsports Park located in nearby Kohler is a destination for the thrill seeking lovers of racing.

Dunnville

Dunnville is a charming community located along the Grand River on Highway #3, between the Niagara and Hamilton regions, and less than an hour away from the U.S. border. The revitalized downtown offers many unique shops and dining experiences. Tuesdays and Saturdays are Farmers Market days. The Grand River and nearby Port Maitland on Lake Erie offer a host of water activities including kayaking, paddle boarding, canoeing and features prime locations for fishing.

Nearby Dunnville are Rock Point Provincial Park and Byng Conservations Areas, which are popular waterfront destinations for campers. In June Dunnville hosts the annual Mudcat Festival, held to celebrate one of the Grand River's most well-known inhabitants. The festival includes a parade, strongman contests, midway, fireworks and more. Another popular event is the Dunnville Agricultural Fair, held in late August, which includes heavy, light and miniature horse shows, sheep and goat shows, midway and much more. Dunnville is also the home of the Annual Dunnville Grand Tour cycling event in August.

Hagersville

Located along Highway 6, Hagersville is a bustling, community oriented town. The heart of the community is the Hagersville Farmers' Market founded in 1892. The market runs regularly on Wednesday mornings April – October. The local urban community is surrounded by prime agriculture land, creating an abundant supply of fruits, vegetables, flowers and even baked goods at the market. The Grant Kett Memorial Park is a hidden gem in the community with a natural amphitheatre and striking views of the nearby quarry, the park is home of Hagersville Rocks summer concert.

Enjoy cycling the scenic Hagersville Area Tour (pink route) and refuel at one of the many local restaurants.

Jarvis & Townsend

Jarvis is a quiet community featuring some intriguing brick architecture and downtown shops, located at the crossroads of Highways 3 and 6. The Walpole Antique Farm Machinery Association restores, maintains and has established a permanent educational and historical site about the rich agricultural history of the Walpole region. They hold many events and open houses to view their collection and learn about the area's agricultural heritage. Nearby Townsend features some stunning scenery with Nanticoke Creek flowing through the community and a pond in the village centre. The paved trail through the community offers great scenic walking trails and bird watching.

Selkirk, Fisherville & Area

Selkirk and Fisherville as well as a handful of other villages and hamlets are located close to Lake Erie and are filled with tourists throughout the summer season. Designated cycling routes and the newly opened Waterfront Way trail and bridge are enjoyed by tourists and residents. Don't miss the murals on Selkirk's main corners. For nature lovers, Selkirk Provincial Park has excellent camping and picnicking facilities. The Selkirk area is home to the heritage attractions of Wilson MacDonald Memorial School Museum, an 1872 red brick schoolhouse, the Canadian Drilling Rig Museum and Cottonwood Mansion, a 19th Century red brick structure open for self guided tours. The Selkirk Gas festival takes place the second weekend of August and further celebrates the Natural Gas history of Selkirk.

Family owned & operated since 1978

Exploring on Two-Wheels

Whether your travelling the north shore of Lake Erie, following along the Grand River or riding through agricultural communities into quiet countryside, Haldimand County offers cyclists numerous appealing on-road cycling routes and off-road trails. For those same reasons Haldimand is also a great destination for motorcyclists. Pick up a copy of the Hiking and Cycling Map or the Cruise the Coast Map for the most scenic routes in Haldimand County.

Photo courtesy of Goh Iromoto and Waterfont Regeneration Trust.

Agricultural Food & Flavours

Haldimand County has deep agricultural roots. Farms ranging from livestock production to traditional crops and produce can be found throughout the county. In any season, there is an abundance of opportunities to enjoy local, fresh and flavourful foods!

With so much available, many restaurants within our borders have sought local producers to supply them with meats, cheeses, produce and spirits for their establishments. Businesses with a Harvests of Haldimand sign are ones that use locally grown or produced goods. Our Harvests of Haldimand Local Food Guide is a great directory for those wishing to explore our local food attractions, farm fresh producers, specialty stores, garden centres and more.

Haldimand is also home to three seasonal Farmers' Markets in Hagersville, Caledonia, and Dunnville. Come rain or shine, vendors set up their various fresh fruits, vegetables, meats, maple syrup, honey and specialty products for your culinary pleasure. Haldimand County Farmers' Markets supply the freshest tastes and best quality that we have to offer—it's the next best thing to harvesting yourself!

Birding

Haldimand County is a popular destination for bird watching enthusiasts.

The ecological significance of our Carolinian Life Zone attracts botanists, naturalists, and conservationists.

The Carolinian habitats and ecosystems include forests, tallgrass prairies and savannas, wetlands, streams, shorelines and other aquatic habitats.

Canada's Carolinian zone has a greater number of both flora and fauna species than any other ecosystem in Canada and with close to 400 bird species being recorded, it represents over half of the species in all of Canada. This makes Haldimand County the perfect destination for your birding adventure.

The most popular times to see the birds are in May (spring migration) and late August and September (fall migration).

Camping

We are home to two Provincial Parks (Rock Point & Selkirk), two Conservation Areas (Byng Island & Haldimand), and more than a dozen privately owned campgrounds, resorts and trailer parks. Whether you want to rent a trailer on-site, bring your own tent or trailer, or stay in the luxury of a hotel style bed in a prospectors tent, Haldimand County can accommodate your plans for an outdoor adventure. See page 38 for a full listing of campgrounds.

Water Adventures

Lake Erie

Discover Ontario's South Coast and soak up the sun at the beach and enjoy warm water temperatures in Lake Erie. With 87 kilometers of shoreline there are public and private beaches that are open to visitors and offer sandy lakefront adventures with a variety of amenities.

Grand River

A designated Heritage River, the Grand River in Haldimand remains in a natural state with 82 species of fish found here, representing 50 per cent of all fish species found in Canada, making it a prime location for fishing, paddling or exploring.

Fishing, Boating & Paddling

The Grand River, from the dam in Caledonia to the mouth at Lake Erie is home to a variety of fish. The spring, summer and fall host some of the best fishing around, with Trout and Salmon running from Lake Erie. You can find plenty of Bass, Channel Catfish, and resident Pickerel in the river, making the Grand River a good fishing spot throughout the year. Water depths in the lower Grand River can accommodate power boats and public boat launches are available north of the dam in Caledonia, Cayuga and south of the dam in Dunnville and Port Maitland. You can also find boat launches and marinas along the Lake Erie shoreline.

Kayaking and Stand Up Paddle Boarding are growing in popularity and you can rent all the equipment you need to enjoy a day out on the water.

See page 25 for a full list of rental facilities.

Byng Island Conservation Area

Dunnville

Picnicking, trails, camping, fishing, boating and launches to Lake Erie and the Grand River. Large 2 acre supervised pool with diving. Activities July and August.

Caledonia Bridge

Caledonia

This unique nine span landmark bridge crossing the Canadian Heritage Grand River was built in 1927 and is the only one of its type in Canada. It was also the first reinforced concrete bridge ever built.

Argyle Street, South

Caledonia Dam

Caledonia

Originally constructed in the 1830s as a rockfilled timber crib structure to assist in river navigation. After various floods, this dam was rebuilt in 1980 by the Grand River Conservation Authority to control water flows and eliminate the threat of future flooding. The waters just downstream from the dam are a popular fishing spot.

Dunnville Community Theatre

Dunnville

Dunnville Community Theatre continues a 40 year tradition of producing quality family entertainment. Titles to be announced.

Port Maitland Lighthouse

Port Maitland

Originally established in 1830, the 41 foot lighthouse sits at the mouth of the Grand River at Lake Erie. Working along with the Mohawk Island Lighthouse, this lighthouse once marked the entrance to the Welland Canal, a major waterway in days gone by. While the lighthouse itself is closed, visitors can walk up to it along the Port Maitland Pier next to Esplanade Park.

937 Port Maitland Road

Toronto Motorsports Park

Cayuga

Internationally known, this drag way park features Time Trials each Wednesday and Friday evening during the season. On Saturdays experience Time Trials, Street Racing and Test and Tune. Come visit during one of the exciting weekend competitions throughout the summer including Nitro Nationals. Featuring: jet cars, funny cars and wheel standers. Enjoy the excitement for a day or camp for the weekend.

Trails, Pathways & Cycling Routes

Cycling and Hiking map available through TourismHaldimand.ca. Also explore the New Interactive Cycling Map online.

Grand Valley Trails Association along the Grand River

A 250 km riverside, rural and woodland hiking trail between Rock Point Provincial Park at Lake Erie, along the Grand River Valley to south of Orangeville.

Waterfront Trail

Stretches over 1600 km along the Canadian shores of Lake Ontario, Lake Erie, Lake St. Clair and the Niagara, Detroit and St. Lawrence rivers. This fully signed on-road trail runs along Haldimand County's Lake Erie Shoreline. The trail can be enjoyed for a quick stroll or part of a multi-day long distance adventure.

www.waterfronttrail.org/Haldimand

CALEDONIA

Chippewa Trail

A natural trail to walk, run or cycle. Approximately 2.7 km long and runs from Haldibrook Road, south to Unity Road where it crosses and proceeds further south to Haldimand Road 66. Roadside parking. Connects to the Chippawa Trail to Hamilton.

Haldimand Tour

Green Route

McKinnon Park - 100 Haddington Street. The route is 71 km of rolling hills. It is a scenic route along the Grand River, Lake Erie and back roads in Haldimand County. (See the Haldimand County Cycling & Hiking Map)

Kinsmen Park Walkway

Paved and lit throughout Kinsmen Park on the north side of the Grand River.

Patterson Walkway

Paved and lit on the east side of Argyle Street between the Grand River and Forfar Street.

Ramsay Walkway

Paved and lit trail on the west side of Argyle Street between the Grand River and Forfar Street destined for the Caledonia Old Mill.

Rotary Riverside Trail

Caledonia to York

Designated as part of the Trans Canada Trail System, this trail is approximately six kilometres of scenic Grand River country, which is suitable for nature walks, hiking and cycling.

Thistlemoor Park Pathway

Within the limits of Thistlemoor Park in the south end of Caledonia.

CAYUGA

River Route

Blue Route

Cayuga Kinsmen Park - 61 Ouse Street, South. Parking and washrooms available in park. The route is 69 km of paved, flat to rolling hill roads. It travels along the Grand River and Lake Erie. (See the Haldimand County Cycling & Hiking Map)

Ruthven Park National Historic Site Nature Trails

Hike through a stretch of Carolinian forest and discover the diversity of trees, woodland plants, and dynamic wildlife.

www.ruthvenparknationalhistoricsite.com

DUNNVILLE

Blue Heron Way

Approximately 1.1 km of off road trail connecting Dunnville to Niagara Region. This trail links up to the Gord Harry Trail to Niagara.

Lowbanks Loop

Yellow Route

Dunnville Kinsmen Park - 985 John Street. Parking and washrooms available in park. The route is 47 km of paved mostly flat roads. It travels along the Feeder Canal and Lake Erie. (See the Haldimand County Cycling & Hiking Map)

Rail Park Pathway

A short scenic pathway between Cedar Street and George Street next to S. Cayuga Street.

Thompson Creek Restoration

Natural regenerated area reforested with Carolinian trees and frequented by various wildlife.

HAGERSVILLE

Hagersville Area Tour

Pink Route

Grant Kett Park - 38 Sherring Street, North. Parking and washrooms available in park. The route is 51 km of paved and mostly flat roads. Scenic route through Hagersville and Townsend. (See the Haldimand County Cycling & Hiking Map)

SELKIRK

Lakeview Tour

Orange Route

Selkirk Athletic Field - 17 Main Street, West. Parking and washrooms available in park. The route is 70 km of paved and mostly flat roads. It is a picturesque route along Lake Erie through Selkirk, Fisherville, Sweets Corners and Cheapside. (See the Haldimand County Cycling & Hiking Map)

Waterfront Way Trail & Bridge

A short scenic trail with bridge over Stoney Creek connecting Erie Street South and Blue Water Parkway. The bridge allows pedestrians and cyclists to continue their travel along the waterfront.

905-318-5932

cdp@haldimandcounty.on.ca
