**COMMENCEMENT**

**FRIDAY, MAY 20, 2022**

**METLIFE STADIUM**

**WELCOME**

We are delighted to have you join us as we celebrate the accomplishments of our graduates. Commencement is a special occasion, both solemn and joyous. It is a time when we respect the traditions of higher education and recognize the hard work and sacrifices that brought each graduate to this point of personal growth.

Thank you for sharing in this important celebration.

## CONGRATULATIONS AND “CARPE FUTURUM”

As you seize this day and your future, we congratulate you on your accomplishments, graduating at this extraordinary time in our nation’s history. You join a large and welcoming network of more than 130,000 Montclair State University alumni, who, like you, were prepared to lead, serve, innovate, create and change the world.

Your dreams and the accomplishments of this diverse class are already forging a path toward the change needed in our society. We look forward to watching your careers and lives flourish as responsive and engaged citizens working for the greater good.

We hope you look back fondly on your time at Montclair State University, knowing you persevered through an unprecedented time, returning to campus determined to get the most of your college experience and to enjoy the intellectual and social life of our university, including lectures, art exhibits, performances, athletic events as well as the beauty and serenity of our campus and its memorable views of the Manhattan skyline.

Montclair has grown in ways that would have been hard to imagine 114 years ago when we opened as a normal school to educate teachers. We’re bigger, stronger and more complex, and now the model of a 21st-century university – a doctoral research and public-serving university, offering more than 300 majors, minors, concentrations and certificates.

Alumni, foundations, corporations and friends care deeply about our university and pay it forward with gifts to help us provide scholarships and a vibrant educational environment where

students, regardless of their financial means, are challenged and empowered to succeed. Our faculty scientists and scholars also benefit, allowing for research to take place around the globe.

Many of you are the first in your families to graduate from college. We are proud of our legacy as a Hispanic-Serving Institution and the scholars who benefit from our supportive Educational Opportunity Fund program. The majority of this graduating class has benefitted from internships, cooperative education and volunteer experiences. Some of you have studied abroad. Most of you have grown in ways you never expected.

In the coming years, we know that you will not forget Montclair, your professors and your fellow Red Hawks. We invite you to stay involved with your alma mater, visit campus for events and to keep us updated on your achievements in your careers and personal lives. We will always take great pride in your accomplishments.

We at Montclair State University are honored to have been part of your journey and to have helped you empower your imaginations in ways needed to prepare you for meeting the exciting challenges and opportunities that await you. We look forward to seeing what you will do.

**To the Class of 2022, Congratulations!**

## ACADEMIC REGALIA

The academic procession is led by the Grand Marshal, a senior-ranking member of the faculty. She carries the University mace, an ornamental staff symbolizing the President's authority. The silver mace, as well as the medallion worn by the University President, were designed by Cartier and crafted in Athens, Greece.

### Grand Marshal | Sandra Adams

### MACE

The mace is decorated with an 18-carat gold pine design and topped with medallions depicting the seal of the State of New Jersey, the University seal, Cole Hall and other designs. The medallion depicts the University seal. They were gifts of the Sandoz Foundation, secured through the efforts of former trustee William C. Warren in 1973.

### GONFALONIERS

The gonfalons of each academic college and school are borne by one of its senior faculty members. They lead the processional for their colleges and schools. The gonfaloniers are:

**College of the Arts** | Abby Lillethun

**College of Education and Human Services** | Jaime Grinberg

**College of Humanities and Social Sciences** | Eileen Fitzpatrick

**College of Science and Mathematics** | Weitian Wang

**Feliciano School of Business** | Vidya Atal

**The Graduate School** | Steven Greenstein

**School of Nursing** | Nastassia Davis

The wearing of academic robes is a survival of one aspect of life in the Middle Ages. When American colleges and universities desired to adopt a system of academic apparel, they met at Columbia University and suggested a "By-Law, Regulation, or Statute" for the establishment of a suitable code of dress for the colleges and universities of the United States. In 1932, and again in 1959, the American Council on Education revised the costume code.

The following information is condensed from the code published in 1960:

### GOWNS

**Pattern:** Pointed sleeves for the bachelor's degree, oblong sleeves open at the wrist for the master's degree and bell-shaped sleeves for the doctoral degree.

**Trimmings:** None for the bachelor's or master's degree. For the doctoral degree the gown is faced down the front with black velvet with three bars of the same across the sleeves, or these bars may be of velvet of the color distinctive of the faculty or subject to which the degree pertains.

For all academic purposes, including trimmings of doctor's gowns, edgings of hoods and tassels of caps, the colors associated with the different subjects are as follows:

**Arts and Letters:** White

**Business:** Light Brown

**Education:** Light Blue

**Engineering:** Orange

**Fine Arts:** Brown

**International Affairs:** Peacock Blue

**Law:** Purple

**Library Science:** Lemon

**Medicine:** Green

**Music:** Pink

**Nursing:** Apricot

**Philosophy:** Dark Blue

**Physical Education:** Sage Green

**Public Health:** Salmon Pink

**Science:** Golden Yellow

**Theology:** Scarlet

### HOODS

The hoods are lined with the official color or colors of the college or university that granted the degree. Montclair State University's colors are red and white. The colors of the outside trim of the hoods associated with the degrees are as follows:

**Doctor of Audiology (AuD):** Spruce Green

**Doctor of Education (EdD):** Light Blue

**Doctor of Philosophy (PhD):** Dark Blue

**Master of Arts (MA):** White

## ALMA MATER

By Evelyn Hock Walter '25

Beneath the Jersey skies so blue, in Montclair's mountain town,  
there stands our College, tried and true and growing in renown.

We love thy campus, love thy halls, and oft to thee we raise,  
with loyal lips and loyal hearts, united songs of praise.

All hail to thee Montclair, to thee our voices raise.  
Alma mater, dear Montclair, our undying hymn of praise.

We love thy colors, dear Montclair, the scarlet and the white;  
may they forever help us dare to choose and do the right.

And tho' in after years our fate may lead us far apart,  
nor time nor space may separate the ties that bind our heart.

All hail to thee Montclair, to thee our voices raise.  
Alma mater, dear Montclair, our undying hymn of praise.
